

**SCIENCE EYE/ EVERGLADES FIELD EXPERIENCE**  
**SAFETY/CONTIGENCY PLAN**

INJURY: (severe injury call 911)

1. Move injured to a safe place
2. Administer first aid
3. Call appropriate personnel if additional assistance is needed
  - a. Eye Office 954-680-7977
  - b. Holiday Park 954-434-8111
4. Move injured to bus to await further attention leaving a Chaperone with the injured
5. Notify the school and parents
6. Transport to medical facility if necessary; be sure the emergency treatment release accompanies the injured
7. Complete accident report

EXTREME WEATHER: lightning/high winds

1. Move group to cover at a save place (lab shack or park office)
2. Wait for danger to pass
3. In extreme conditions move bus to the protected area and board from there

SECURITY THREAT: (for lock down by county, start at #2)

1. Move all field groups to Holiday Park Office Building
2. School will be contacted to see if it safe to return to school
3. Alternate location for returning students will be chosen by school or Sheriff's Office
